ART CLUB

Love drawing or painting? Feel like some friendly company? Art Club at Umborne Bridge Studio with Anna aims to encourage art in the community, intended for anyone who would like to draw but feels nervous, or anyone who already loves drawing and just fancies some company whilst they put pen to paper.

We run one 1.5hr session a month at the studio, usually on a Tuesday afternoon towards the end of each month. There is no charge but donations are very welcome.

Each session has a different theme, and a mini-project that you can choose to join in with or work on your own art if you prefer.

Dates for 2026 and more information about the sessions can be found at www.annabrewster.com/artclub

Can't make it to the sessions? YouTube videos are uploaded each month for you to enjoy making art in the comfort of your own home - just search Anna Brewster Art.
